Discussion of changing game day to Thursday instead of Friday. Teams support the change, but prefer to have longer to discuss any changes in the future.
 - 3. Moving to Thursday allows for increased field space for practices.
 - 4. There are still three conflicts that may necessitate either boys soccer or girls LAX to Fridays. Due to the double round robin schedule of soccer and single round robin for girls LAX don’t match exactly.
 - 5. ADs at three schools attempted to fix the conflicts and could not
 - 6. Boys soccer
 - iv. football - Northgate motioned to approve the schedule as proposed. College Park Seconds: Passes Unanimously
 - b. Spectator policies (purple, red and orange tier)
 - i. Current purple agreement: No spectators
 - ii. It was discussed if we could create an interim plan until our next special meeting on 4/18 to practice our supervision and gather more information on site needs.
 - iii. Many football teams have a scrimmage and/or non-league game in the next two weeks to “sandbox” different options.
 - iv. Group reminded us about the ever-changing nature of the state and county guidelines and Covid numbers, and the values of flexibility, safety and legality need to drive our decisions. We also want our communities to know how they can participate in their students’ athletic events.

- v. There may be value in having a more restrictive start to avoid community members in unsafe outside areas (gathering in groups near viewing spots)
 - vi. Discussed having a limited number of household members per team member, but venue size needs to be considered. Other leagues are doing something similar.
 - vii. Questions about how to handle issues of small children or blended families and how the restriction of 2 per household. The need for site flexibility for family needs. There are some concerns though that younger children need to be monitored closely by parents.
 - viii. Discussed 2 adults and small children with parent supervision. Concerns about how ticket takers know how many people are coming.
 - ix. A neighboring league is having a check on of rosters and check off by student “household”.
 - x. Discussed wristbands that can be distributed, but the distribution concerns were raised.
 - xi. Have home team and away team check in of team spectators. That would mean that home site would need to have stadium supervision for all fans.
 - xii. Discussed the need for emptying the stadium between games and 2 lists.
 - xiii. Students will not be allowed to attend unless it is their sibling. Prioritizing parents as it is required by youth sports guidelines.
 - xiv. Can revisit student spectators with lower tier (orange)
 - xv. Logistical alignment, including spectators on campus, may not have an issue with this moving forward as camps are “practices” with limited parent involvement.
 - xvi. In and out privileges should be limited.
- c. MHS makes a motion: I move to allow parent spectators in accordance with the Youth Sports Guidelines for competitions in the Red Tier. Households will be determined by home sites in alignment with sports facility size and supervision capacity. Spectators will check-in at the gate prior to a competition so numbers can be recorded. Gate lists will be submitted by the home and away team prior to the competition. Both home and away sites will provide supervision for gate check in and facilities supervision.
- Yes: Acalanes, Alhambra, Benicia, Berean Christian, Campolindo, Clayton Valley Charter, College Park, Concord, Las Lomas, Miramonte, Mt. Diablo, Northgate, St. Patrick’s, Ygnacio Valley

-Clarification from an AD on passed resolution. Sites will need to clarify the capacity for facilities. Passed guidelines should apply to all stadium sports. Cheer will count as part of the football team support and can travel with the team.

- a. Review our spectator protocols
- b. Discussion of current plans to charge for spectators; MHS shared they were not going to charge. Current practice is that sites may charge for admission. Preference not to charge for only away teams. Need to add a discussion item for future agenda. Donations will be allowed.
